The writ petition has been dismissed on the ground that there was no material produced before the learned single Judge that the petitioner had made any claim petition which could be considered by the respondent. Now, the petitioner has filed the appeal stating therein that after the writ petition was filed, he got a copy of the

claim petition dated 10-12-2002, which also shows that it was received by the respondent. In this view of the matter, the writ petitioner may file a review before the learned single Judge.

The writ appeal is accordingly disposed of.
